115th Annual General Meeting 2024

PROGRAM

Friday, September 6, 2024

Hotel Kursaal, Kornhausstrasse 3, Bern

Women's group / Moderation Valérie Lebrun

11.00 – 12.00 "AI Ethics and Bias", Emma Lejal Glaude

Emma started working with AI Ethics and particularly Fairness in Machine Learning in 2019, during her EPFL Master Thesis at Swisscom. Her research was about debiasing for individual and group fairness in classification. Joining Swisscom as a Data Scientist, she developed the AI Ethics Principles and AI Ethics Risk Assessment for the company. Emma has also initiated and led an initiative around pay gap, developing a tool to detect, analyse and enable actions. Currently she is Product Manager at Neural Concept, a end-to-end platform for engineering teams.
